The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. This is a really cool boat off shore or river . Grouper,  
or just cruising .

This 1986 Captiva 24 is ready to hit the water for a  
day of fishing or cruising with the family.

Wow, what a rare find - a center console with a  
cuddy cabin and an inboard motor! Less than 100 of  
these unique vessels were originally made by Fort  
Meyers Yacht and Shipbuilding.

The fiberglass molded lapstrake-style hull gives this  
Captiva a distinctive look and provides a dry, stable,  
sea-worthy ride. With a wide beam of 9'6", there's  
plenty of room and without the outboard in the way,  
it's easier to fish off the back. The layout is perfect  
for snapper fishing.
