Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

READY TO GO! STANDARD MODEL, HULL #3,  
WITH THE EXTENDABLE BOWSPRIT AND  
OTHER HARDWARE FOR A SPINNAKER OR  
GENNAKER!!

This is a great example of the Catalina 275 Sport.  
With a total sail area (main plus jib) of  
approximately 350 square feet, and a lead fin keel of  
1,875 lbs. The self-tending jib allows for  
single-handed sailing in both light and strong winds.

The owner really likes the spacious cockpit with  
plenty of room for family and friends, and with large  
lockers for gear.

The other big plus is the relatively high freeboard for  
safety in rough seas.

Overall, it is a beautiful sloop-rigged sailing delight. Easy handling, easy reefing, with an adjustable main sheet traveler for sailing very close-hauled and pointing high to windward.
