Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. This vessel was SOLD on August 23.

Here is an original owner, well-maintained, beautiful 2006 Formula 34PC. Formula is regarded as a premier builder of fine quality boats, and it shows!

The seller has recently relocated and driven the boat from CT to FL, a testament to its reliability! As can be seen the black Imron paint shines on the hull sides and the canvas and Isinglass were replaced last year - just beautiful.

She features the 420HP Mercruiser engines with fresh water-cooled engines - and V-drives, so no sterndrive maintenance in saltwater. There is seating for 8-10 in the cockpit and the walk-through windshield provides easy deck access with a railing! The cockpit vinyl shows as new.

Down below, everything looks like new - with seating for 8 on the salon sofa and comfy midcabin. The forward bed is huge - like King-sized, and the mid-cabin easily converts to another bed. There are two TVs with satellite and two fridges, will keep you entertained and stuff cold!

There is a well-equipped galley and a bathroom with shower, also of course a generator and AC to keep things cool.
