Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. Super Clean Pair Customs 21-Modified Vee-Suzuki
200 HP 4-stroke OB with very low hours-Suzuki
Outboard Warranty Until October 2026-Trailer
Included

This 2021 Pair Customs 21 MV is well equipped and ready to fish. She is powered by a Suzuki 200 HP 4-stroke outboard with only 45 hours. The Suzuki outboard is covered by Suzuki extended warranty until 10-2026! Includes a 2021 Load Rite tandem axle aluminum trailer.

From the moment I arrived for the photo shoot I could see that Pair Customs 21 MV has been well maintained by a conscientious owner. The hull gel coat shines and is free of any serious cracking. The interior of the boat is super clean. All upholstery, the Captains seat and coaming pads are clean and have no rips or tears, The owner says that all systems

work. The Suzuki DF200AP 4-stroke outboard has only 45 running hours.

Pair Boats are built using a grid system for the stringers made of solid 2\" core material and transoms made of 2\" reinforced core sandwiched between a beefy lamination schedule to hold the transom brackets securely.

The manufacturer indicates the hull has a combination of biaxial heavy 24 oz cloths used to create a structure that will not shake, shutter, or toss you around and with the weight underneath you.
