Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

175 HP Suzuki Outboard makes this boat skim
across the water.

This great deck boat it rated for 12 passengers. Easy
to board and plenty of seating. Set up for anything
you want to do. Sunset day trip, go to dinner, take
friends for a fun day at the beach.

The Suzuki 175 HP outboard has plenty of power to
get this big boat up on a plane with a full load. Also,
can pull water skiers.

The boat has a full mooring cover and boot cover for
the bimini when folded. It has been kept covered in
the water at the slip with fans running under the
cover to keep moisture down. The owner keeps the
boat incredibly clean.

The boat was in a building during a recent hurricane
and was not affected by the storm, the owner
confirms.
