Ready to hit the water and fish just about anywhere?
This 2015 Yellowfin 17' Skiff is for you!!

The 70hp Mercury will get you where you want to
go. And get you there fast! The smaller engine has
plenty of power to handle this smaller skiff. Fish the
bays, fish the flats. The shallow draft allows you to
go anywhere!

Plenty of dry storage, wells for the day's catch, and
rod holders allow a crew of three to enjoy the day on
the water. The trolling motor keeps things quiet
while you get the boat through the canals and sneak

up on the unexpected catch.

Truly is a boat that is fast, easy to handle and even easier to maneuver through the backcountry rivers and flats.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
