Experienced Sales + Customer

Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this

industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment. skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet

age, many buyer

HOUSE UNDER CONSTRUCTION. THE OWNER NEEDS TO MOVE THIS BOAT. VERY MOTIVATED. BRING ALL REASONABLE OFFERS!

Let's do some serious fishing. Here is your opportunity to own a well cared for 50th Anniversary Edition Ranger Z510 C bass boat. Ranger has long been known for being a world-class fishing boat and this anniversary edition is certainly no exception. Except for the fact that a little extra care in its production to ensure quality and reliability is built in with this edition.

Powered by an Evinrude E-TEC 200 HP engine. This engine has proven to be very reliable and fuel-efficient while providing exceptional hole-shots and extraordinary top-end speeds. With just over 127 hours showing on the digital hour meter, this engine is hardly broken in.

A Minn Kota Ultrex i-Pilot sits on the bow and is integrated with the Lowrance fish finder/ plotter. It has 112 lbs. of thrust to maneuver the boat with ease and spot lock to hold you on the fish. There is a second Lowrance Elite GPS at the helm and the two are connected so what you see on one, you can also see on the other.

Abundant storage for your rods, tackle, and other gear on the carpeted casting deck. More storage and an aerated live well is aft. A pedestal seat and a bicycle seat are included that can be placed at either location for your fishing comfort. The owner installed LED lighting all around to aid in early morning or late evening fishing times.

The color scheme is extraordinary and the matching trailer may very well be found only on this anniversary edition.

Don't miss this opportunity. Call today to set up a showing or let's put a deal together so your fishing adventures can begin.
