Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Bass Tracker Pro 175 powered by 60 HP Mercury
4S! Garmin LiveScope! Low hours!

Featuring the 2019 Bass Tracker Pro Team 175
offering a real-time modernized freshwater fishing
experience from sunup to sundown.

Enjoy a full day of fishing with features like the
onboard 19-gallon live well and bait well taken to
keep the user open to options. However, like most
anglers it's always great to have a wide range of
options so regardless of what freshwater species you
are targeting the Bass Tracker Pro can get you where
you want to go.

The front provides plenty of room for rod storage
and tackle storage with no shortage of reliability.
Also, consider the 50 lb thrust trolling motor
including two fish finders to assist in finding the

day's catch.
