Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Classic Design 1969 Cheoy Lee Luders 36 in Great Condition! Recently Rebuilt Perkins Diesel Engine! 7 Sails Including Spinnaker and Storm Sails!

The Cheoy Lee Shipyard is known for its exceptional yachts. The Luders 36 is a rare find and one of their better builds of the age.

The Luders 36 has a master cabin in the v-berth and an adjacent head with a sink. The galley is at the foot of the companionway, handy to the cockpit. The two-burner stove and large sink are to port. The icebox is on the port side and doubles as a navigation table Forward of the icebox/nav table there is a single bunk and settee. The settee pulls out for another berth. The dinette is offset to port and converts to a double berth.

It is a solid, capable racer/cruiser with construction

many would say is bluewater worthy.
