About Us: POP YACHTS SALES  
Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Descrição: Stock #361088 -

\*\*\*SALE PENDING\*\*\* Lots of updates. Newer equipment. Dual engines. Ice cold air conditioning! Generator! Liveaboard or Great Loop ready!

1998 Carver 355 Aft Cabin Motor Yacht

This is a rare find in this nice condition. The interior has been renovated. A lovely spacious design with two cabins, two heads, a full galley, and a nice salon area with a built in desk.

The dual air conditioners provide complete climate control. There is an onboard generator that powers all systems when away from the dock.

This has two Mercruiser 7.4L MPI straight inboard motors and the starboard engine long block was replaced in April 2022.

The exterior provides multiple levels for relaxing. There is a fully enclosed flybridge with plenty of seating. The isinglass can roll up for continuous breeze. The hard top provides wonderful shade over the aft deck. There is easy access to the swim platform thanks to the molded-in steps.

Up on the bow, relax on the two sun pad loungers which are great for laying out during the day or relaxing under the stars at night. The windlass is a desired feature for ease of anchoring.
