Clean Nitro Bass Boat with 250 HP Mercury  
Powerhouse! Trailer Included!

This is the boat to get you to where you need to be  
when you need to be there. And the choice of the  
world's greatest bass angler--4-time Bassmaster  
Classic winner Kevin VanDam.

The Rapid Planing design of this boat will get you  
out of the hole and up fast even on strong inland  
water chop, according to the manufacturer.

The Mercury 250 Optimax Pro XS engine on the  
back will handle the rest. You have full  
instrumentation in this one with a Speedometer,  
Tachometer, Fuel, Trim, Water Pressure, and Oil  
Reservoir Level.

This boat is clean, low hours, and loaded to fish.  
Comes with a Motorguide TR109 trolling motor

along with Lowrance HDS-7 Touch in the bow and the HDS-7 with Scan in the dash.

The wide beam keeps the boat stable either when it is on the go or sitting over the fish. And the two 19-gallon aerated live wells are ready when you are.

With plenty of room for rods and tackle, it is ready for your next tournament or just a day of fun and fishing
