About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Descrição: Stock #328953 -

Very well maintained Eurobanker 42 ready to go!
Many recent updates, along with bottom paint in
2022!!

This one won't last long - She is GORGEOUS!

This 1981 Modern Boat Corp, MBC Eurobanker 42
has a raised sundeck and is powered by Twin
Lehman 120hp diesel with only 1279 hours. The
current sellers have owned her for about 2 years and
have done many updates.

There are 4 -150 gallon fuel tanks totally of 600
gallons of fuel which will give you a range of 1500
miles.

Tucked away under the berth in the Master
Stateroom are two steel water tanks that hold 200
gallons of water.

There is plenty of room for all your family and friends with 2 ensuite cabins. The master cabin is HUGE with a queen walk-around bed and a lounge beside the bed.

You won't get lost at sea as you have the assistance of the autohelm pilot. Some other perks on the boat are a 3 bank smart charger, 2x GPS echo sounders, stainless steel Simpson Davits.

She is a very eco-friendly boat with solar and wind generator systems for when offshore. Plug into shore power with the 30amp when in a marina. She also has 300 watts of solar panels that will run everything on the boat except for the AC ((along with a new 2000-watt inverter on the boat).

Instant hot water system when in the marina and also self-contained a/c when in a marina.

Enjoy the Lewmar windlass with a 66lb Lewmar anchor system (Bruce type).

She shows NO SIGNS of any leaks anywhere.

A recent high-end new wooden floor was installed in the aft cabin.

In the galley, there is a propane gas stove, a refrigerator, sink, and plenty of cabinets and counter space. Plenty of space to prepare all your gourmet meals!

She has 2 helm stations, which truly is handy in inclement weather!

Please do know that this boat is an ECO boat and designed to have a low carbon footprint. She does not have a generator onboard, and she is equipped with two window unit air conditioners. She has solar panels and a wind generator.

The Boston Whaler Squall 9' dinghy and a 3 hp Torpedo electric motor goes with it. (Motor is a

2022 with low use).

The slip is assumable and allows live-aboards, cost is \$1200 per month plus an optional resort fee of \$250 that gives pool and other access.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
