2017 Stingray 206CC with 4-stroke motor and
trailer. Great all-around family boat - perfect for
fishing, water sports or just hanging out.

The boat is reported by the owner to have extremely
low hours. With a live well, loads of rod holders and
storage as well as open deck space to get around, she
is a perfect small fishing platform. Fold down seats
and add casting platforms for easy egress when
desired.

With seating for 9, there is room for everyone when
it's family fun time. The Mercury 150 HP 4-stroke
engine gives you plenty of power to pull tubes or

skiers and will burn a low 6 gallons an hour at 3500 RPM.

Included in the purchase price is a 2017 EZ Loader trailer. With a dry weight of 2700 pounds, the boat should be towable by most mid-size SUVs and pickups - check your manual to be sure.
