Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Nicely Restored, looks great, updated electronics, must see!

This 1981 Robalo has been updated with a 150 HP Yamaha Motor and electronics including the Yamaha engine monitoring system. She also has a newer Simrad GPS-fishfinder-tracker system and transducer, and newer Fusion Bluetooth radio and speakers.

The seller does not know the year of the 4-stroke motor.

There are two large storage bins in the front of the boat, along with an anchor locker. Behind the helm there is a 50-gallon live well, which also serves as the Captain's leaning post.

She's a \"no frills\" boat, but all of the upgrading has been done by the current owner.

Per the seller: Completely restored 20 ft Robalo
