The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Well-equipped sailboat, includes full set of sails
with a cruising Gennaker!

The 1991 Schock 35 is a very popular boat for sailing enthusiasts, and this one appears to have been well cared for. It is powered by a Perkins M30 diesel 3-cylinder engine (Perkins Perama). It has a Flexifold 3-blade prop.

The interior is in very nice condition with a diesel heater, hot water, a refrigerator freezer, and a stainless steel sink. There is plenty of room for an induction cooktop.

Electronics include a Furuno Navnet chartplotter-GPS, AIS and digital charts from Oregon to Vancouver Island. There is radar and an autopilot as well.

The exterior appears to be in good condition, with a bimini and dodger, see below. There is a full set of

sails that includes a cruising Gennaker.
