Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

2016 ROBALO R200 in great shape ready for the
water. Handles the water very well and features
Yamaha power

2016 Robalo R200 powered by a 150 hp 2016
Yamaha Four-Stroke Outboard Engine.

Versatility: The Robalo R200 is designed for
versatile use in a variety of water conditions,
including fishing, cruising, and water sports.

Its compact size and maneuverability make it ideal
for exploring narrow channels and shallow waters,
while its powerful engine provides plenty of speed
and power for more adventurous activities.

Fuel efficiency: The 2016 Yamaha four-stroke
outboard engine is known for its fuel efficiency,
which means you can enjoy longer trips on the water

without worrying about refueling. The engine's efficient design also helps to reduce emissions, making it an eco-friendly choice.

Comfort: The Robalo R200 is designed with comfort, featuring ample seating for passengers and a T-top for shade on sunny days. The boat also includes a stereo system with Bluetooth connectivity for entertainment while on the water.

The non-skid deck and self-bailing cockpit also provide a safe and comfortable environment for fishing or other water activities.
