Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

The Carver 325 Aft Cabin is a fantastic design, with most of the features and space of a much larger yacht in a 32' model.

The smart design starts at the stern with a broad swim platform and convenient molded steps up to the large stern deck. Up the next ladder is the spacious flybridge. The controls are smartly laid out and there is a large sofa to port.

Entering the cabin you step into the large salon with the full 11' 11" beam. Forward and down the steps

is an L-shaped cabin and forward sitting area that can be converted into a large V-Berth. Across from the galley is the full wet-head.

The aft cabin includes a double berth to port and a single to starboard. Between the two is a vanity and sink.
