2015 Dusky Marine 218RL

With a length of 21 feet and 8 inches, this Dusky offers a spacious and comfortable interior! The semi-V hull design guarantees a smooth and stable ride, even in rough waters, while its high gunnels provide additional safety and security for passengers.

One of the most remarkable features of the 218RL is its abundant storage space. With numerous compartments and lockers throughout the boat, there's ample room for storing gear and equipment. Additionally, the boat boasts a 40-gallon livewell, making it the perfect choice for avid fishing enthusiasts. There is also a t-top, a T-Bag for

storage, a power pole, and a trolling motor!

This Dusky is not just for fishing but would be a great option if you are looking for a back-country boat, dive boat, or even for watersports! Look at the Dusky Drive with the integrated swim/dive platform! Super cool!

An Evinrude E-Tec 175 horsepower outboard motor ensures plenty of speed and power to get you where you need to go. The boat's 60-gallon fuel capacity is also impressive, allowing for extended days on the water without frequent refueling.

Overall, the 2015 Dusky Marine 218RL boat is a superb option for anyone seeking a high-quality, versatile vessel that's perfect for fishing, cruising, and enjoying all the water has to offer.
