Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Ready to catch some big fish? This boat will get you there with twin Yamaha 200 HP engines!

This 2016 Robalo 260 really speaks the language of fishing, while ensuring family comfort and enjoyment.

The boat is crafted around fishing gestures. Reach out and there's a grab rail waiting for you, a heavy-duty stainless toe rail, 24 rod holders, tackle storage and lockable gunwale storage. Down aft you'll find a tough, but comfortable transom seat that folds down, giving access to a 33-gallon insulated live well. The bait prep area features a cutting board and a removable fiberglass bait box.

The bow also hosts three fully insulated, locking fish boxes on hydraulic lifts: One in-deck and two integrated into the casting platform.

Coaming pads run around the entire boat, and a stainless steel toe rail lines the deck around the cockpit.

It's a unique hull design that allows it to grip the water effectively providing stability and maneuverability even in choppy waters.

This 2016 Robalo 260 offers a combination of comfort and versatility making it a great choice for boating and fishing enthusiasts.
