Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

1989 WELLCRAFT COASTAL 2800 walkaround
with twin Yamaha 300 HP engines!

This 1989 Wellcraft Coastal 2800 is a versatile no frills fishing boat. She was previously re-powered with twin Yamaha HPDI 300 HP 2-stroke outboards. The engines were recently serviced including new spark plugs, lower unit service, new seals Also new bilge pump and battery. There is damage to the bimini top frame on the port side that can be seen in the photos.

Built on a solid fiberglass hull with a relatively wide 9-foot, 11-inch beam, the chief attribute of the 2800 Coastal (aside from an affordable price) remains her practical, space-efficient layout. Two in-deck fish boxes, fresh and raw water washdowns, and a transom door were standard in the large cockpit.

The interior of the 2800 Coastal, with its convertible dinette, enclosed head with shower, compact galley, and forward V-berth (the galley sink does not function) is larger than expected considering her roomy cockpit and wide side decks.
