Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Cruise the Caribbean, live aboard, or charter this luxurious and spacious yacht! Three staterooms, two helms, large flybridge!

Cruise the Caribbean, start a charter business, or live aboard this beautiful Sea Ray 550 Sedan Bridge Motoryacht. The 550 Sedan Bridge is a luxurious and spacious yacht with the capability for long-haul cruising or living aboard for extended periods of time.

This 550 is designed with a modern interior cabin, gorgeous marble flooring, and a large salon featuring a massive L-shaped lounge sofa. A bar with stools and the galley are on the starboard side. The galley is set up with an electric stove, icemaker, side-by-side refrigeration, and lots of counter space. Glassware is stowed in its own fitted cabinet.

Step down the companionway to the sleeping quarters. The main stateroom is at the bow with a center-line island berth, steps on both sides to make reaching it easy, a vanity and door access to the head. The head includes a full-size standing shower with a shower door.

On the starboard side is a good-sized second stateroom with a double bed and dresser storage. The third stateroom is on the port side and has sleeping room for two in the bunks and a hanging locker.

The Sea Ray can be commanded from within the cabin or on the flybridge. Two-sided molded steps are on the starboard side of the aft deck. One side of the steps is for easy boarding and walking to the forward deck, and the other to access the flybridge. The flybridge aboard the 550 will be the envy of your marina. Lounge seating, a wet bar, and bimini shade will keep guests happy and entertained while underway. Isinglass protects the bridge on three sides for weather.

This Motoryacht has fitted bow cushions for more lounging space, see photos. The bow sun pad arrangement is almost 15' long. Room for everyone!

Don't let this one get away! Call or email with questions, or make an offer to hold the Sea Ray!
