The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Yamaha 4-stroke. Bimini top. Lots of deck space and seating. Fun to drive!

This cool Hurricane 237 Sundeck is being offered for sale by the second owner. It's been re-powered by a 2003 Yamaha 225 four-stroke outboard which reportedly has good compression and the exhaust system replaced. (The original motor ingested water). Lots of seating and a versatile design for cruising days, fishing and water sports with a ski / tow attachment bar.

Enjoy your favorite tunes on the stereo and keep the day going with a freshwater system to shower off when done swimming.

There is a large bimini top for shade on hotter days. Easy access to the water with the hull-integrated swim platform as well as bow and stern swim ladders.

There is a changing area with a porta-potty so no runs back to shore are needed.

The pictured trailer is available for an additional \$3000.
