Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Repowered with 2015 Yamaha 150hp four stroke  
with low hours! T-top, livewell, trolling motor,  
GPS/fish finder, room for 9!

A great boat for fishing and cruising fun that's rated  
for up to 9 people onboard.

This Kenner center console has been repowered with  
a 2015 Yamaha 150 horsepower four-stroke  
outboard motor which provides quiet operation,  
better power, and better fuel efficiency.

A nice, color touchscreen Garmin 70s is installed at  
the helm for GPS and fish finding.

There is a nice amount of deck space for fishing at  
the back or the bow. Lots of rod holders help keep  
gear out of the way. It has an onboard live well, a  
battery charger, and a T-top for shade on hotter days.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [Careers \[dot\] PopSells \[dot\] com](#) to learn more.
