Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

This is a GREAT Opportunity. This is ready to Rock and Roll and hit the high Seas. Shrimp here we come.

This custom-built shrimp trawler is ready to go out now.

Vessel was built of all welded steel construction by J & J Marine, Inc at Bayou LaBatre, Alabama during 1996. The boat is a typical twin-screw refrigerated double rigged trawler.

The wheelhouse contains many navigation and other equipment. On top the wheel house or in the rigging are radar scanners, many lights, and antennas.

The cabin is located forward of the wheelhouse. Located aft of cabin is the galley and dinning area. located aft from those areas is a 4-man bunkroom

with built in locker and bunk drawers.

Be sure to check out the trawling gear included as well. There have been very few newly constructed trawlers for the Gulf of Mexico since 2002. This custom-built shrimp trawler is ready to go out now.
