	Regal 2465 well maintained and keep on a lift. A/C, Wet Bar, Head and Galley		
	The Commodore 2465 provides the comfort and features typically found in much larger boats.		
	When you board from the swim platform through the transom door, you see a well-appointed wrap-around lounge area with a removable table, cup holders, and gunnel storage.		
	The wet bar is on the port side. It has a stainless sink and cooler storage area. Next to the cooler storage, you have additional door storage and your waste can.		
	The helm has a bolster seat and a full array of gauges, including the speedometer, fuel, volt, trim, water temp, oil pressure, and a digital depth gauge.		

To the left of the steering wheel, you have toggle switches for the blower, bilge pump, navigation and anchor lights, courtesy lights, windshield wiper, and the windlass anchor.

Additional convenience items include radio controls, a VHF Radio, a 12-volt power source, and a Humminbird Fish Finder.

The Salon has a full galley with a microwave, refrigerator, and an electric cooktop. You have a second removable table in the V Berth with wrap-around seating. You can accommodate overnight guests by converting the V-Berth into a sleeping area and in the large Aft Berth.

The salon is cooled by air conditioning while on shore power, and you have a large head/shower.
