Large bowrider, Yacht Certified, Lowrance electronics, Bluetooth sound system, and big Mercruiser 496 MAG power!

Get ready to cruise the islands, hit the sandbars and make waves in watersports. This Rinker 282 Captiva is 29' of summer adventure and it is available for sale in North Florida!

The 282 Captiva is one of the largest bowriders on the market with an overall length of 29' and a beam of 9'. The beamy stance of the Captiva gives it a noticeable smooth ride in various conditions and makes a great party platform for guests.

The boat is Yacht Certified so fill it up with revelers and let the fun begin. On deck are a sink, built-in ice box, refrigerator and a dedicated waste bin. Seating wraps around the main cockpit and there is more

room at the bow. And, as if there were not enough room on deck, this boat has a walk-through to more seating on the transom that faces the swim platform.

For comfort, the owner has added foam decking and the privacy compartment contains a head with a waste tank.

The helm is outfitted with a Lowrance unit that is connected to a thru-hull transducer. The Clarion sound system is Bluetooth capable and the speakers were recently replaced.

Don't let this one get away! Call or email with questions or make an offer to hold the Captiva!
