The Yamaha also has a \"no wake\" and \"cruiser assist\" system.

The bolster helm seat can be swiveled to face the cockpit seating. There is also a bolster passenger seat that also can be swiveled to face the cockpit seating. In front of the passenger seat is a storage cabinet.

The L-shaped seating wraps around the port and aft cockpit area. There is storage beneath the seat base cushions. The center cushion is on a gas-assist strut engine cover.

The aft area has a two-tiered platform with seat backs that make it a great place to hang out when anchored. A swim ladder is also mounted to the swim platform for easy boarding from the water.
