About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Descrição: Stock #413136 -

VERY NICE SAILBOAT! TWO HELMS (AFT
DECK & PILOTHOUSE) FOR ALL WEATHER
SAILING! RIGGED FOR SINGLE-HANDED
SAILING! MUCH MORE INCLUDED!

Discover the allure of seafaring adventure with the
timeless elegance of this beautiful 1980 Nauticat 44.

Crafted by Siltala Yachts of Finland and boasting a
pedigree possibly derived from a Sparkman &
Stephens design, this 51-foot beauty (LOA) blends
traditional charm with modern capabilities, making
her ideal for extended voyages or luxurious
liveaboard living.

Equipped with dual helms--both on the aft deck and
in the pilothouse, the Nauticat 44 ensures

comfortable sailing in any weather. Designed for ease of handling and single-handing, with lines leading to the aft helm. She is built as a cutter-rigged schooner.

Below deck, accommodations for 6-7 persons include a spacious master cabin featuring a centerline 2-poster queen bed, a salon with a queen berth, a cozy pilothouse with a possible child berth and a V-berth in the forward cabin.

Recent updates and excellent maintenance enhance her appeal: a refurbished galley with Talavera tiles, a new Isotherm refrigerator, and a Splendide washer/dryer combo.

The pilothouse offers panoramic views and shelter from the elements, perfect for enjoying the journey in comfort.

Powered by a reliable 120-hp Ford Lehman/Gustaffson diesel engine with under 4600 hours, the Nauticat 44 is outfitted for long-distance cruising with a Cruise RO Watermaker (disconnected, but plumbing intact), wind generator, solar panels, and comprehensive navigation electronics including Garmin GPS and radar systems.

Her exterior shines with recent upgrades such as the Awlwood-coated brightwork. Safety equipment, including a Viking life raft and redundant communication systems, ensures peace of mind on the open water.

Unique and very well cared for, this is a rare find among Nauticat 44s, distinguished further by her blue hull and red-tan bark sails. Whether you're dreaming of circumnavigation or coastal cruising, it's inviting you to embark on your next maritime adventure.
