Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

2019 Glasstream 280SCX is ready for your desires.
It's an excellent choice for fishing and overnighting.

Its beautiful design features sleek lines and a step
hall design, allowing a smooth ride through the
waves. Equipped with powerful big Mercury
four-stroke motors, this boat can take you where you
need to go and bring you back in a hurry.

Built with serious fishermen in mind, it offers space
for multiple anglers and all the necessary controls
and electronics to help you find your favorite fishing
spot.

The cockpit is well-organized, with a pedestal chair
that can be converted into a regular seat. The center

console is specially designed for fishing, making this boat perfect for any angler.
