The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. Great Flats Boat! 2008 Shoalwater Cat 19, power pole, Minn Kota 80 lb thrust, jack plate, Garmin GPS, 1 live well, front casting platform

The Shoalwater 19' Catamaran is a shallow fishing boat that offers impressive performance. It's excellent for extremely shallow waters and handles moderate chop well thanks to its tunnel hull design. With a 6\" draft, it can go shallower than most smaller flats boats.

The boat can carry up to 5 people and comfortably accommodate multiple anglers. It features a large front casting platform and a rear deck. Lower gunwales make it ideal for wading after reaching your destination. Low hours on motor and it has been maintained, the owner confirms.

Minn Kota trolling motor, GPS, power pole, jack

plate, and front casting platform included.
