Manufacturer Provided Description

At 70 feet length overall and with the capacity for speeds of over 40 knots, the Princess V70 is every bit as dynamic as she sounds. Her unrivalled performance and class-leading handling have been widely recognised, giving the V70 an iconic status within the V class range. Sleek deck lines and a powerful deep V hull with raised bullwarks lend a keen, dynamic edge to the elegant profile, and confirm that this is a sports yacht with serious ability.
