A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Manufacturer Provided Description

The Pacific Mariner 65's broad windows invite the horizon into a spacious pilot house where full instrumentation and a complete electronics package reside in easy view. Sliding doors open to port and starboard decks, and teak stairs ascend to the flybridge. The intelligently equipped galley features full-sized appliances that include a side-by-side refrigerator, dishwasher, microwave, range with oven, trash compactor, and disposal. In the master suite, a king-size walkaround bed

is covered in designer linens. The guest stateroom offers twin berths and its own TV, VCR and stereo with CD player. Creature comforts in each of the staterooms include cedar-lined, lighted, hanging lockers, individual room temperature controls, reading and accent lighting, and opening portlights with screens. Reigning above it all is a soaring flybridge designed for easy entertainment alongside a fully equipped helm station.
