## Ek Bilgi

### Açıklama:

Blue Bonnet is a special example of this classic Florida-built cruising yacht. The walk-over model provides superior privacy for those wishing to charter, host guests, or cruise as a family. The aft stateroom, featuring a queen berth, has its own private head and is fully closed off from the forward salon. The spacious cockpit is covered by a very nice professionally made hard bimini, which can be fully enclosed creating more living space between the forward and aft sections of the boat.

Blue Bonnet's interior has been very nicely upgraded with new countertops, flooring, heads, AC, and more. She is ready for the Bahamas! She even has a bow thruster (and a newer Vetus engine installed 2009!).

All of this and more!
