About Us:	POP YACHTS SALES Experienced Sales + Customer Service The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry. However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

SALE PENDING Beautiful MacGregor 26X! Mercury 50 HP! Ready to Sail!

With the ability to switch between sailing and motorized propulsion, the MacGregor 26x provides the best of both worlds. Whether you prefer the tranquility of sailing or the convenience of a motorboat, this hybrid vessel allows you to adapt to different conditions and enjoy a versatile boating experience.

The MacGregor 26x boasts a spacious interior, offering ample room for passengers and cargo. This means you can comfortably accommodate family and friends during day trips or longer voyages. The generous space also allows for storing supplies, equipment, and personal belongings, making it ideal for extended stays on the water.

One of the major advantages of the MacGregor 26x is its trailering capability. Being trailerable means

you can easily transport the boat to different bodies of water or explore new destinations beyond your home port. This convenience opens up a world of possibilities, allowing you to embark on exciting boating adventures and discover new places with ease.

Owning a MacGregor 26x can be a cost-effective choice compared to owning separate sailboats and motorboats. By combining both functionalities into one vessel, you can save on the expenses associated with maintaining and storing multiple boats. This cost-efficiency makes the MacGregor 26x an attractive option for individuals who want to enjoy various boating experiences without breaking the bank.

The 2014 Mercury outboard engine provides power and control, making it easy to maneuver the MacGregor 26x on the water. Whether you're an experienced sailor or a novice boater, the responsive handling of this vessel, combined with the engine's performance, ensures a smooth and enjoyable ride.
