Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Great Defever Trawler perfect live aboard the slip  
goes with it. Solid, Reliable, and comfortable.

Art Defever designs are admired for their traditional  
lines, sturdy construction, long-range, sea-keeping  
ability, and practical layouts that make them perfect  
for extended cruising.

One very popular model among DeFever Cruisers  
members is the DeFever 41. These were built in the  
1980s, first by Miracle Marine Corporation (MMC),  
and later by Bluewater Yachts, both of Taiwan.

This vessel was built by Miracle Marine Corporation  
in 1981 for Defever.

She has two helms and a flybridge with seating for a  
crowd that makes for a comfortable harbor cruise or  
an extended trip to Catalina or along the coast North

or South.

The aft cabin has ample room to walk around the queen-size bed with ensuite head and shower. The V-berth has ample room for even your largest guests.

There is an ensuite head and wet shower as well.

Twin Perkins T6.3544.M diesel engines give you the reliability and long-term performance cruisers have counted on for both short and long cruises.
