About Us:	POP YACHTS SALES	
	Experienced Sales + Customer	
	Service	
	The keygreat customer	
	service. We love the marine	
	industry and one of our core	
	missions is to help raise the	
	customer service bar in this	
	industry.	
	However, the internet has	
	completely transformed the way	
	we do business. While	
	traditional sales principles still	
	very much apply (such as	
	building a solid relationship	
	with the customer, earning their	
	trust, adding value, customer	
	qualification, etc), how you get	
	there is now very different. It	
	used to be that a customer valued a solid handshake and an	
	honest smile. In a traditional	
	face to face environment,	
	skilled salespeople could	
	qualify a customer based on	
	body language, personality	
	type, etc. In today's internet	
	age, many buyer

Açıklama:	<u>Stock #396209 -</u> Well-Maintained, 1997 Sea Ray 330 Sundancer Powered by Twin Mercruisers		
	Looking for a 33 foot Express Cruiser with room to enjoy the lake with family and friends? Look no further, this 1997 Sea Ray 330 Sundancer is loaded with features you don't normally see.		
	A great cockpit area for entertaining - with a large U-shaped seating area behind the Captain's bench - that can quickly be converted into a 4th sleeping area under the stars - or with the full camper enclosure - for extended season use.		
	Twin Mercruiser V8 gas engines power the boat with V-drives that have lots of life left! The boat has shore power and a 10K BTU marine HVAC system that keeps the cabin cool on the hottest of days. The Westerbeke 4.5kW Generator will provide power to run all of the boat systems when on the water and		

quickly switches over to shore power when back at the dock. The boat is also equipped with Hydraulic Trim Tabs with controls at the helm.

The large flat screen TVs are great for entertaining and watching your favorite team or movies. The stereo system provides great music as well.

The helm is equipped with all the necessary guages clear and readable - and the Raymarine Radar and GPS / Chartplotter system is fully functional and color display is easy to read.

The cockpit ice box works and keeps drinks nice and cold and easily reached when needed. The cockpit sink and storage compartments are easily accessible too.

The bow area has a sun pad - great for catching rays and the boat is equipped with a windlass anchor with controls at the helm or at the bow (pads). The windshield has a window for allowing air flow to the helm and cockpit. The large Bimini top and Isinglass / Full Camper Enclosure - (not shown in photos - but are located in the dock box, and are in great condition).

Down below the large V-berth and Galley provide lots of seating and room to enjoy when you need to take a break or fix a meal for the group - you have everything you need to do so - sink, microwave, 2 burner electric stove top, refrigerator with freezer compartment - plenty of storage space and of course the head - with shower, sink and toilet. The dining area quickly converts into a 3rd sleeping area and the aft cabin is below the cockpit above - so total sleeping down below for up to six and with the cockpit sleeper above - up to eight people.

Don't hesitate to contact me with any questions or to schedule an appointment to see this one in person - you won't be disappointed!

This listing has now been on the market 30 days. If you are thinking of making an offer, go ahead and

submit it today! Let's make a deal!
